Dear Andy,

Just a quick note to thank you, your friends and family for all your help on Saturday at our Official Launch Roadshow.

We all agree that the event was a success even though it was perhaps a little hectic. Obviously we will be having a meeting to discuss the changes that need to be implemented for the next event.

Generally everybody pulled together to provide an entertaining afternoon for the public and we endeavour to make the next as successful as the first.

Thanks again and I'm sure we'll be in touch in the near future.

Kind regards

Jane Wilde
