Dear Andy

Just a short note to say thank you very much for making our wedding reception (21st April) at Pfizer Social Club such a memorable occasion.

Your gentle management and guidance of our guests made the evening run very smoothly and many people commented on what an enjoyable evening it was (which is quite a compliment coming from some of the older members of our families).

I have given out many of your business cards and hope this results in a lot of future business for you, you certainly deserve it.

Once again from Nick and myself thank you very much.

Yours sincerely

Lynda Hill
